4.5 calibration process:

4.6 WAXOMIN Option:

4.7 Power Off:

In the WAXOMIN mode, press and hold the button to enter the WAXOMIN mode. When the meter is under WAXOMIN operation, the display shows the number of readings taken and the current reading. Press the OFF button to exit the WAXOMIN mode.

For measurement, find the thermometer in the thermometer of the instrument. Press the TEMPERATURE button to display the temperature.

The meter will display the temperature until the OFF button is pressed.
