

PURCHASING TERMS AND CONDITIONS

These Purchasing Terms and Conditions (“**Terms**”) apply to purchases by the company (the “**Buyer**”) identified in a purchase order (“**Order**”) of non-customized or off-the-shelf items specified therein (along with any accompanying materials, information and embedded software or technology) (the “**Goods**”) from the supplier to which the Order is submitted (the “**Supplier**”). Any customized items will be subject to separate terms.

1. APPLICATION OF TERMS

Each Order is an offer of Buyer to purchase Goods from Supplier on these Terms. Buyer and Supplier agree that an Order will be deemed accepted by Supplier upon written notice of its acceptance or is beginning work on, or performance of, the Order, in whole or in part. Upon acceptance, the Order and these Terms shall constitute a binding and enforceable contract between Buyer and Supplier (the “**Contract**”). Any additional or inconsistent terms, whether included on a delivery note, invoice or otherwise, will not form part of the Contract. The Contract is the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements between the parties.

2. CHANGES

Buyer may make changes to an Order at any time prior to delivery, and Supplier will make all changes requested by Buyer. Supplier shall promptly notify Buyer in writing if the proposed change will affect cost or timing and provide substantiation thereof. If Buyer determines that an adjustment is appropriate, the parties will negotiate in good faith an equitable price adjustment and change in Terms. Supplier may not make any change on its own without first obtaining Buyer’s prior written consent.

3. QUALITY AND DEFECTS

3.1 Supplier shall only deliver Goods that, and warrants during the Warranty Period that the Goods, will: (a) not contain any unreasonably dangerous or defective condition, (b) conform to any specifications, drawings, samples and other descriptions identified in an applicable Order, (c) are merchantable and free from defects in design, materials and workmanship, (d) are/be suitable for the purposes for which goods of that type are ordinarily used, (e) comply with all applicable laws, regulations and standards; and (f) are/be free from all liens, charges and encumbrances. Supplier shall maintain quality control procedures to monitor and ensure that said standards of quality continue throughout the Contract. Supplier will test the Goods prior to delivery in accordance with industry accepted procedures and standards, and the Goods shall be at least the quality which meets such industry standards. The Warranty Period begins on the date the Goods are delivered to Buyer in accordance with the Contract and ends on the two (2) year anniversary thereof unless a longer warranty period is set forth in the Order or generally made available by the Supplier for the applicable Goods.

3.2 Buyer may, but has no obligation to, inspect and test the Goods and failure to do so does not waive any rights or remedies that it may have. Supplier waives any right to require Buyer to conduct an inspection. If Goods do not conform with Section 3.1, Buyer will notify Supplier and Supplier shall immediately act as necessary to ensure conformity. Buyer may conduct further testing and inspection upon Supplier’s completion of any such actions and/or redelivery of the Goods. Notwithstanding any inspection or testing by Buyer, Supplier shall remain fully responsible for the Goods and any Buyer inspection or testing shall not diminish or otherwise affect Supplier’s obligations. If any Goods are the subject of a recall or other service action, Supplier shall provide written notification thereof to Buyer as soon as reasonably practicable, and Supplier shall be liable for all costs and expenses incurred by Buyer in connection with such recall or service action.

4. INDEMNITY

SUPPLIER IRREVOCABLY AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS BUYER, ITS PARENT, AFFILIATES, AND SUBSIDIARIES AND ITS AND THEIR OFFICERS, DIRECTORS, EMPLOYEES, CONTRACTORS, AND AGENTS (THE “**INDEMNITEES**”), FROM AND AGAINST ALL LIABILITIES, LOSSES, DAMAGES, COSTS AND EXPENSES (INCLUDING LEGAL AND OTHER PROFESSIONAL FEES AND EXPENSES), INCLUDING THOSE BASED ON NEGLIGENCE, TORT, OR OTHER CLAIMS AND EVEN IF THE INDEMNITEE WAS ADVISED OF THE POSSIBILITY THEREOF, THAT MAY BE AWARDED AGAINST, INCURRED BY OR PAID BY AN INDEMNITEE IN CONNECTION WITH: (A) SELLER’S NEGLIGENCE OR WILLFUL MISCONDUCT; (B) DEFECTIVE WORKMANSHIP, QUALITY, MATERIALS, MANUFACTURE, TESTING, INSPECTION OR DELIVERY OF THE GOODS, DAMAGE TO THE GOODS DURING MANUFACTURE, TESTING, INSPECTION OR DELIVERY, OR ANY UNREASONABLY DANGEROUS OR DEFECTIVE CONDITION IN THE GOODS; (C) AN ALLEGED INFRINGEMENT OR OTHER VIOLATION OF ANY INTELLECTUAL PROPERTY OR PROPRIETARY RIGHTS CAUSED BY THE DESIGN, MANUFACTURE, TESTING, SUPPLY, USE AND/OR OR SALE OF THE GOODS, WHETHER BY SELLER OR BUYER, ALONE OR WITH OTHER PRODUCTS OR COMPONENTS THEREOF; AND/OR (D) ANY USE OF STOLEN, COUNTERFEIT OR MISAPPROPRIATED ITEMS, RESOURCES, MATERIALS, SOFTWARE OR TECHNOLOGY IN CONNECTION WITH THE DESIGN, MANUFACTURE, SUPPLY AND/OR SALE OF THE GOODS, OR OTHERWISE IN CONNECTION WITH SUPPLIER’S BUSINESS OPERATIONS.

5. INSURANCE

Supplier shall, at its expense, maintain insurance in commercially reasonable amounts for operating its business, with reputable insurers, including, but not limited to: (a) worker's compensation insurance as required by applicable laws where Supplier does business; (b) commercial general liability (including personal injury and contractual liability) with limits of not less than one million US dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) in the aggregate; (c) automobile liability coverage (including for owned, non-owned and hired vehicles) with limits of not less than \$1 million per occurrence and \$2 million in the annual aggregate; (d) insurance covering loss of or damage to Goods in the course of manufacture, fabrication, assembly, testing, inspection, storage, delivery and installation; and (d) an umbrella liability insurance policy with limits of liability no less than \$5 million per occurrence.

6.1 Supplier agrees that the Goods shall be delivered in accordance with the Order, including (a) "Delivery at Place" shipping to the location identified in the Order, other shipping terms are set forth in the Order or otherwise mutually-agreed between the parties prior to shipment; (b) during Buyer's normal business hours; (c) via the carrier and any specific packaging specified by Buyer, and (d) with a delivery note identifying, *inter alia*, the Order number, date of Order, number of packages and contents and, in the case of part delivery, the outstanding balance remaining to be delivered. The Supplier shall off-load the Goods as reasonably directed by Buyer. The date(s) for delivery shall be specified in the Order and are firm, and if no date is specified, then delivery shall occur within 28 days of the Order ("**Due Date**"). The Goods shall remain at the risk of Supplier until delivery to Buyer is complete (including offloading and stacking), at which point ownership of and title to the Goods shall pass to Buyer. Supplier shall not be excused from timely performance by unexpected difficulty or commercial impracticality of any degree. Where the Supplier is supplying from a location which is outside of the United States, its Territories and Possessions, the Goods shall be delivered DAP Incoterms 2010 as such term is defined by the International Chamber of Commerce.

6.2 If any Goods are not delivered on the Due Date then, without prejudice to Buyer's other rights and remedies available under applicable law and/or this Contract, Buyer may at its option exercise any one or more of the following remedies: (a) rescission of the Order in whole or in part; (b) refuse to accept any subsequent delivery of any Goods that Supplier attempts, without any liability to Buyer; (c) recover from Supplier any expenditures reasonably incurred by Buyer in obtaining substitute Goods from another supplier on an expedited basis; and (d) seek and obtain all such damages, losses, costs, and expenses sustained by Buyer as a result of the Supplier's breach(es) or the Supplier's failure to deliver the Goods on the Due Date.

6.3 If Supplier requires Buyer to return any packaging to Supplier, that fact must be clearly stated on the accompanying delivery note and any such packaging will be returned to Supplier at its expense. Where Buyer agrees in writing to accept delivery by instalments, the Contract will be construed as a single contract in respect of each instalment. Nevertheless, failure by Supplier to deliver any one instalment shall entitle Buyer, at its option, to treat the whole Contract as repudiated. If any Goods are delivered to Buyer in excess of the quantities ordered, Buyer shall not be responsible for the excess, which will be at Supplier's risk and returnable at Supplier's expense.

7. PRICE

The price of the Goods will be stated in each Order. Unless otherwise agreed by the parties in writing, the Goods are exempt from sales and use tax because they are purchased for resale or will become a component of, or be incorporated into, or used or consumed in, a manufactured product for ultimate resale. If such Goods are purchased tax exempt and subsequent use makes such purchase of the Goods taxable, Buyer will calculate and pay any tax to the appropriate jurisdiction. No price changes or extra charges will be binding on Buyer, unless agreed in writing by Buyer prior to delivery. All freight and shipping costs beyond those specified in the applicable Order will be the responsibility of Supplier.

8. PAYMENT

Supplier shall provide an invoice to Buyer upon, but separately from, delivery of the Goods to Buyer and, to receive payments, Supplier must promptly upon request provide Buyer with valid United States tax documentation declaring status of the beneficial owner of any income generated by the payment. Buyer shall pay all properly invoiced amounts for Goods delivered within negotiated terms or if none stated, within (60) days of receipt of the applicable invoice. Payment will be made in U.S. dollars. If a different currency applies, it will be shown on the Order or agreed to in writing by the parties. Without prejudice to any other right or remedy, Buyer may set off and recoup against any amount owing to the Supplier any amount that Buyer determines in good faith Supplier is liable to pay to Buyer under this Contract. Payment will not constitute acceptance of nonconforming Goods, nor will it limit or affect any of Buyer's rights.

9. CONFIDENTIALITY

Supplier shall keep in strict confidence all non-public know-how, specifications, inventions, processes, products, launch dates, product plans, business initiatives and other information and materials received or learned from Buyer ("**Confidential Information**"). With respect to information, including technical information and user guides, accompanying the Goods or software embedded in the Goods (“Documentation”), Buyer is hereby granted the irrevocable worldwide license to reproduce, distribute and publicly display such Documentation in connection with its business activities. Such rights shall survive any termination of this Agreement, and Buyer may have subcontractors exercise the same rights for Buyer’s benefit. The parties agree that the foregoing are licenses to rights to “intellectual property” as defined in Section 365(n) of the U.S. Bankruptcy Code, and that Buyer may fully exercise any and all of its rights under such Code (or any analogous laws outside the United States) to retain and exercise such rights.
