

a DwyerOmega brand

800 Connecticut Ave., Norwalk, CT 06854

Subject: EU Directive on Registration, Authorization and Restriction of Chemicals (REACH) and Omega Engineering Products

Omega Engineering Inc. is committed to meeting REACH requirements in cooperation with our customers and suppliers.

Omega Engineering Inc. supplies both articles and substances under REACH. Omega is not required to register its articles under REACH. Omega relies upon its suppliers for registration of any substances required by REACH or notification that Substances of Very High Concern (SVHC) are contained in the supplier provided materials or products. Under normal, reasonable, and customary conditions of use, Omega articles should not release any substances, including SVHC's.

As a reference, the Candidate List of Substances of Very High Concern (SVHC) is continually updated by the European Chemicals Agency ECHA. Please follow this link for the most recent SVHC candidate list <https://echa.europa.eu/candidate-list-table>

The information reviewed by Omega has been obtained from supplier feedback and technical data. Product users are responsible for determining the applicability of REACH and other related environmental regulations based upon their individual requirements and utilization. Omega makes no express or implied representations or warranties with respect to the information in this letter.

Should you have any further questions, please do not hesitate to contact us.
