**O-RING INCLUDED WITH EACH ADAPTOR**

**AD-1SS**

- 316 Series stainless steel, 1/4 NPT male
- 10,000 psi

**AD-3SS**

- 316 Series stainless steel, 1 NPT male flush mounting [-3.18 (1/8) on flush tolerance]
- 10,000 psi

**AD-2SS**

- 300 Series stainless steel, 6.35 (1/4) tube fitting
- 3000 psi

**O-RINGS**

**Use for pressures under 10,000 psi:**

- #2-018-V FKM ........................................... Pk of 10
- #2-013-V FKM ........................................... Pk of 10

**Use for pressures of 10,000 psi and higher:**

- #2-018-P POLYURETHANE ............................. Pk of 10
- #2-013-P POLYURETHANE ............................. Pk of 10

**Dimensions: mm (inch)**

**AD-1SS**

- Transducer
- Thru hole
- O-Ring seal
- 31.75 (1-1/4) HEX
- 28.6 (1-1/8) HEX
- 23.81 (9/16) HEX
- 6.3 (1/4) TUBING
- 15 (0.593) FERRULE
- 0.71 (0.028) MIN

**AD-3SS**

- Transducer
- O-Ring seal
- 31.75 (1-1/4) HEX
- 34.9 (1-3/8) HEX

**AD-2SS**

- Transducer
- O-Ring seal
- 31.75 (1-1/4) HEX
- 28.6 (1-1/8) HEX

**Notes:**

- O-Ring included with each adaptor.
- Use for pressures under 10,000 psi:
  - #2-018-V FKM ........................................... Pk of 10
  - #2-013-V FKM ........................................... Pk of 10
- Use for pressures of 10,000 psi and higher:
  - #2-018-P POLYURETHANE ............................. Pk of 10
  - #2-013-P POLYURETHANE ............................. Pk of 10
